

Communication

Transkript:

Speaker 1: Hey Claudia, I still need to write my parents a letter. Have you written any?

Speaker 2: No. You still write letters?

Speaker 1: Yeah, of course I still write letters. I think it's great when you get to see somebody's handwriting. It's a lot more personal.

Speaker 2: I use emails and SMSes. They go much faster.

Speaker 1: Yeah, I guess that's true. But if you send a postcard, then they can see where you've been.

Speaker 2: Right, but I attach pictures so that my parents can see where I've been.

Speaker 1: I guess you're right, but I still like going into shops and buying them. Also, if you write a letter or a postcard, it's something you can hold and keep for later.

Speaker 2: That's true. I do like getting letters every now and again.
